(F) THE ADMISSIBILITY STATEMENTS TAKEN BEFORE COMM. SENT. -- Because of the extreme importance to the Bureau's investigative operations, your attention is called to the opinion of the Supreme Court on March 1, 1943, in the case entitled "McNABB et. al. vs. THE UNITED STATES."

SAC
LETTER

In this case, the Court ruled that confessions which had been taken from defendants held in custody a period of 48 hours without having been delivered before a committing officer were, therefore, inadmissible in evidence. In support of this decision, the Court cited the empowering statutes which limit the functions of federal officers to make arrests and thereafter immediately taking the prisoner before the committing magistrate. It was indicated that a statement taken from the defendant during the period when the arresting officers were exceeding their authority by holding them without legal commitment was improper.

The above case was cited as authority in the case entitled "MITCHELL CLIFTON ANDERSON et. al. vs. THE UNITED STATES", decided the same day in which the defendants were held in custody six days by state authorities, but, during that period, were questioned by federal officers, resulting in the execution of statements against interest.

In reaching its decision, the Court specifically overruled the Government's contention that the statements should be admissible because they were voluntary.

In view of these decisions, I cannot impress upon you too strongly the necessity for strict compliance with the requirements of the act of June 18, 1934, authorizing agents of this Bureau to make arrests that "persons arrested shall be immediately taken before a committing officer."

TO THE DIRECTOR, ASSISTANTS TO THE DIRECTOR, ASSISTANT DIRECTIONS,
INSPECTIONS, SUPERVISORS AND SPECIAL AGENTS IN CHARGE:

RE: CONFIDENTIAL CUSTODIAL DETENTION CARD FILE

In order to be adequately prepared for an emergency involving an enemy raid upon the seacoast of the United States it will be necessary for those field divisions whose territory covers part of the United States seacoast to have available an index showing the exact location of subversive individuals in any particular geographical area. In the event of such a raid or an invasion the Bureau would, no doubt, be requested to immediately apprehend and remove from particular geographical areas all individuals suspected of enemy sympathies.

In order to be prepared for such an emergency the confidential custodial detention card file should be immediately broken down geographically, as follows:

- 1 - By state
- 2 - By county
- 3 - According to metropolitan area, boroughs, or precincts, if necessary or advisable. In making this geographical break down you should anticipate utilizing the assistance of local police in removing subversive individuals in the event of an emergency and, therefore, this subdivision should correspond to the local police jurisdiction.

Mr. Tolson: The above instructions are in addition to those set out in Section 16 B of the National Defense Manual.

ALIEN ENEMY CONTROL

Reference is made to Bureau letter dated February 17, 1942 pertaining to the preparation and submission of Field Division Arrest Registers, the contents of which have been incorporated into Section 17 H (9) of the National Defense Manual.

You are informed that effective immediately the instructions pertaining to the submission of Weekly Arrest Registers to the Bureau, reflecting additions or changes made on the Permanent Arrest Register of your office, are amended to the extent that similar Registers should be submitted monthly rather than weekly. Appropriate corrections should be made on the Weekly Arrest Register Forms now being used to indicate that the Registers pertain to the current month, and they should be transmitted to the Bureau as set out hereafter.

In order to eliminate correspondence, it is desired that the Monthly Arrest Registers be transmitted to the Bureau as enclosures with your monthly letter giving the recapitulation of apprehensions under the Alien Enemy Control Program, which should be submitted to the Bureau as of 12:00 noon on the first Tuesday of each month. In the

MEMORANDUM FOR THE COMMISSIONER
IMMIGRATION AND NATURALIZATION SERVICE

During the course of numerous investigations conducted by this Bureau concerning alleged alien enemies who are reported for violating regulations that apply only to alien enemies, it has been ascertained, after considerable investigation, that they have become citizens by naturalization and, therefore, are not subject to the regulations that apply only to alien enemies.

I would like to suggest that consideration be given to a plan whereby the various Offices of the Immigration and Naturalization Service would notify the Field Offices of this Bureau when an alien enemy residing within the territory covered by that Field Division becomes a naturalized citizen.

This information would be of great assistance to this Bureau in view of the large number of investigations made concerning alien enemies who have violated the various regulations that apply only to individuals within this category. It would be appreciated if you would advise me at your earliest convenience of your comments upon this suggestion.

(B) INTERNAL SECURITY - ALIEN ENEMY CONTROL - FIELD DIVISION ARREST REGISTERS.-- Some Field Offices apparently have interpreted the Bureau's letter of August 13, 1942, advising that it would no longer be necessary to transmit to the Bureau weekly the unexecuted arrest registers, as authorization to discontinue transmitting to the Bureau the weekly Field Division arrest register forms. It is necessary that the practice of transmitting to the Bureau the weekly arrest register forms be continued in order that the Bureau records may be complete and current.

It will no longer be necessary to transmit to the Bureau the teletypes recapitulating all apprehensions which have hitherto been required not later than noon of the first Tuesday of each month. The same information should now be transmitted to the Bureau by letter. These letters must reach the Bureau not later than noon on the first Tuesday of each month.

It is still required that each individual apprehension of an alien enemy be promptly reported to the Bureau by teletype.

(C) INTERNAL SECURITY - ALIEN ENEMY CONTROL - INTERNMENT OF DEPENDENTS OF ALIEN ENEMIES. -- The Alien Enemy Control Unit of the Department of Justice has advised that in view of the fact that the dependents of many interned alien enemies meet with economic and other difficulties which, in addition to the internment of members of their families, embitters them to an extent creating a security problem, the Unit is initiating a program whereby such dependents may be interned together with the members of their families who are already held in custody.
